The Board may, from time to time, waive certain procedural requirements to allow greater public participation in Board meetings. Any waiver, regardless of how frequently made, shall be narrowly construed and not cited or used by other parties seeking to invalidate such procedures or otherwise avoid their impact. Attendees shall register their intention to participate in the public portion of the meeting with the Board clerk.

(4) **Remarks Directed to the Board.** When several members of the public or several members of a group share similar opinions on the same issues, a representative, rather than all the members, should address the Board.
