

For Immediate Release

**Contact: Cathy Brennan, Public Information Officer
772-219-1200, Extension 30444**

August 24, 2007

Martin County School District

Parents whose children attend *Port Salerno Elementary, Indiantown Middle School, and J.D. Parker School of Science, Math, and Technology* are encouraged to learn more about Supplemental Educational Services (SES) by attending free tutoring fairs at these schools next week (dates/times are listed below). During the tutoring fairs, private tutoring vendors will be available to talk to parents about the services they provide.

To qualify for SES, students at the schools listed below must be eligible to receive free or reduced-price lunch. Tutoring services are prioritized based on educational need. All tutoring will be done before or after school with the fees paid by the School District. The School District has contacted the parents of qualifying students.
